## EFE-KMT GALVANO YOUR GLOBAL PARTNER IN SURFACE COATING TECHNOLOGIES

- Based in Bursa, Türkiye, **Efe-KMT Galvano** is a leading engineering company specializing in surface coating technologies. Since our establishment, we have been designing, manufacturing, and delivering turnkey coating plants worldwide—enhancing quality, efficiency, and productivity in industrial manufacturing.
- We customize every project to meet the unique requirements of our clients, delivering engineering solutions that comply with international standards, prioritize environmental sustainability, and maximize operational efficiency.

## OUR AREAS OF EXPERTISE & PRODUCT PORTFOLIO

- We offer a comprehensive range of modern, high-tech, and sustainable coating plant solutions tailored to your industrial needs:
- Surface Treatment Plants
- Cathodic Electrodeposition (KTL / Cataphoresis) Coating Plants
- Galvanizing and Anodizing (Eloksal) Plants
- Zinc and Chrome Plating Lines
- Custom Process & Automation Solutions

## INDUSTRIES WE SERVE

- We are the trusted solution partner for pioneering industries that demand high precision, durability, and compliance with rigorous international quality standards:
- Automotive & OEM Supply Chain
- Aerospace & Defense Industry
- Machinery Manufacturing
- Electronics Industry
- Medical Device & Product Manufacturing

## END-TO-END SOLUTIONS: BEYOND MANUFACTURING

- At Efe-KMT Galvano, we do not just manufacture machinery; we stand by our clients at every stage of their investment:
- Technical Consultancy & Engineering: Designing optimized, energy-efficient, and customized layouts tailored to your production space and capacity.
- Assembly & Commissioning: Seamless on-site installation and system integration carried out by our expert engineering teams.
- After-Sales Support & Maintenance: Continuous technical support, routine maintenance, and spare parts services to ensure uninterrupted production.

## A TRUSTED GLOBAL BRAND

In addition to our leading position in the Turkish market, we have become a globally recognized and trusted solution partner. We have successfully delivered high-value projects in numerous countries, including Germany, Hungary, the Netherlands, Czechia, Austria, Morocco, and Saudi Arabia.

Our Mission: To develop economical, highly efficient, and sustainable engineering solutions that optimize our customers' production processes.

Our Vision: To become a pioneering global brand in surface coating technologies through continuous R&D investments and innovative engineering.
